

Summary of Police reports - Burniston, Cloughton, Hackness, Scalby, Staintondale Parish Councils

These monthly reports are not in the usual format, instead they provide an area wide report although the year end crime figures will be in the same format for each parish. The reports will be back to normal as soon as play resumes around the UK.

For those unaware, from Filey and Eastfield Police Stations we cover everything around Scarborough on a map; from the Humberside border in the south to Ravenscar in the North; along with the forestry area encompassing Wykeham Forest, Langdale Forest up to the entrance with Dalby Forest.

Prepared 1/4/2020

We are still busy across the area despite covid-19. In March, we dealt with 797 incidents, a breakdown of these follows (not inclusive of all incidents):-

- 4 injury/death RTCs.
- 16 damage only RTCs.
- 34 road related offences, drink/drug driving, no insurance/license/dangerous driving/speeding etc...
- 89 reports of suspicious circumstances.
- 8 missing people.
- 2 firearms incidents.
- 2 Domestic Violence Disclosure Schemes – commonly referred to as 'Clare's Law' The Scheme was introduced to set out procedures that could be used by the police in relation to disclosure of information about previous violent and abusive offending by a potentially violent individual to their partner where this may help protect them from further violent and abusive offending.
- 23 Domestic Incidents.
- 63 concern for safety incidents.
- 41 abandoned 999 calls.
- 75 violence crimes.
- 10 sexual offences.
- 12 thefts and 1 stolen motor vehicle.
- 18 Frauds.

- 24 criminal damages.
- 17 dwelling or commercial burglaries.
- 6 auto crimes.
- 115 anti-social behaviour reports.

On 24th March at about 0700hrs, we received reports of overnight burglaries at Manham Hill Stores, High Street Post Office and a theft from an unattended motor vehicle on Ryefield Road in Eastfield; a theft from West End Stores and setting fire to a bench at Cayton Sports fields, both in Cayton. Thanks to quick work from the Filey and Eastfield teams, two offenders were traced and arrested for all these offences within 12 hours of the reports. They remain under investigation and currently have curfews to keep them in on a night, these are checked every night by Officers to prevent further offending. We are particularly keen to nip these offences in the bud as soon as they occur given the current circumstances.

We have attended a large number of calls relating to concern for the safety of individuals across the whole area and mental health related incidents. We have a number of agencies which we can refer these individuals into to ensure they receive relevant help; these agencies are all still functioning in some format during the current crisis.

2. New items

1. The Covid-19 pandemic has impacted so much of what the Council does or is involved with. The Clerk has been working from home since lockdown began on 23rd March. In the 13 weeks from 23/3/2020 to 21/6/2020 she has received and dealt with 2,345 incoming emails and sent 564 emails.
2. All phone calls to the parish council's number are being diverted to the clerk's mobile phone. In the 13 weeks from 23/3/2020 to 21/6/2020 she has received and dealt with over 450 incoming phone calls and made over 130 outgoing calls.
3. The parish caretaker's work was placed on hold at the start of lockdown but as lockdown eased with the opening of non-essential retail in the early part of June, their work has re-started.
4. Painting of seats and some street nameplates in the parish has recently been done.
5. The seat on Stony Lane/North Street corner (installed by the In Bloom group in autumn 2014) went missing towards the end of April and, following unsuccessful enquiries to establish if it had been removed for painting, has been reported to the police as a theft (incident number 12200099458).
6. Various highway-related issues have been dealt with including faulty street lamps, faulty traffic lights and hedges/trees/greenery overhanging pavements.
