There were 64 incidents reported in your area during October. Incidents of note are as follows: -

07/10/2024 14:10 – A resident received an unsolicited WhatsApp message from a number previously unknown to them stating “Hi Mum, this is my new number I have been having really bad signal problems, this is my new number.” The conversation has gone on to ask to borrow £1,890 until Wednesday. The money was not sent and then further calls were received from the scammer claiming to be a loan shark and things would not end well for their child if they didn’t pay this money. The resident correctly identified this as a scam and did not suffer any monetary loss. Please do not engage with any unsolicited WhatsApp messages you receive, this is a well-known scam which unfortunately is occasionally still successful.

17/10/2024 11:01 – Officers attended a serious injury RTC on A170 at Brompton, very sadly this later turned into a fatal RTC. The circumstances surrounding this are under investigation. Please see the below press release:-

It happened approximately 10.55am on Thursday 17 October and involved a grey Peugeot 407 and a DAF HGV.

The Peugeot was traveling in the direction from Wykeham towards Brompton-by-Sawdon, and the HGV was travelling in the opposite direction.

The occupants of the Peugeot, two women in their 80s, were taken to hospital where the passenger sadly died a few days later. Our thoughts are with her loved ones at this very sad time.

The driver of the HGV was uninjured.

The road was closed for a number of hours while we investigated the scene and to allow the vehicle(s) involved to be recovered.

We're appealing for any witnesses to the collision, anyone who may have seen the vehicles prior to the collision, or anyone with relevant dashcam footage, to contact us.

Please email our Major Collision Investigation Team at MCIT@northyorkshire.police.uk if you can help.

Alternatively, you can call North Yorkshire Police on 101 and pass information to our Force Control Room.

Please quote reference 12240189387 when passing on information."

17/10/2024 15:49 – A resident drove through a road closed sign whilst Officers were dealing with the above RTC on A170 at Brompton, they were stopped by Officers at the scene. The person will be dealt with for this offence.

18/10/2024 13:41 – A two vehicle RTC was reported in Troutsdale. One driver was arrested on suspicion of drug driving, careless driving, no insurance and no license. They were later released from custody whilst we await results of the blood test for drug driving.

Subject: Re: Inconsiderate School Parking The Green - Newby

Thank you for your email about the resurgent problem of inconsiderate parking in the area close to Newby & Scalby Primary School.

I am aware that our last Chairman worked closely with you previously on this matter, as both a parish council and a town council. However that person is no longer a member of this Council.

I will bring your email to the attention of Council when it next meets (currently scheduled for 13th November). I should point out that this Council still has no parking enforcement powers and the only courses of official action are those you have already mentioned - NYC ward councillor Sharma, NYC parking enforcement staff and the Police. If it is as you suspect and the problems are being caused by 'the newer parents', it may be a wise course of action for you to bring the problem to the attention of the school and ask them to make an announcement in assembly or on any newsletter which pupils are given for parents.

I will contact you again once your email has been considered by Council.

Please could you assist with the following.

I am a retired Resident of The Green, Newby.

You may recall we have had past issues with inconsiderate School Parking at The Green and adjacent roads. Sadly, I now have to report that this inconsiderate attitude is on the rise again with several persistent drivers ignoring double yellow lines, parking on and close to junctions, parking on soft verges (damaging), opening car doors and restricting the pavement.

Now that you are a "Town Council" is this now within your powers to assist with Parking

enforcement and to put forward this matter in a more procedural way to the County Council to support our request that we had help with this, that impacts on our local community not in a positive way.

I have again filled in a contact form online with the County Council as below as of this date. It would help if our council supported us in this matter.

Hello.

Inconsiderate School Parking on Verges/blocking pavements - Parking on Double Yellow Lines (with no visible disabled certificate) parking directly on the 90 degree junction corner (The Green-Dunwell Avenue)

I have previously raised this issue.

With - Louise Warren (she/her)

Complaints and Commendations Officer – Corporate Complaints

And with = County Councillor Sharma

Attached is 3 Images taken today at approx 3pm.

I would have hoped the department responsible have now received some previous details and I am in the hope that some actions are in the process of assisting us here to educate the drivers of their inconsiderate parking or at times not actually legal parking.

Our neighbours have campaigned in the past and we had the support from Scarborough Parking and of North Yorkshire County Council whom both attended the area on a regular basis. There were an unofficial one way sytem adopted to prevent clogging, parents were asked to walk a little, even the school brought in staggered starting times.

It appears now with the newer parents, or lack of attendance of enforcement officers inconsiderate parking has returned. The nights and mornings will now get darker, the verges are wetter so they will be destroyed making muddier slippery footpaths.

So I would welcome your attendance to this and it would be good to have an update from yourselves.

Kindest regards

Subject:Newby and Scalby Town Council - Model Agreement Estimates 2025/26

Date: Mon, 28 Oct 2024 17:09:10 +0000

From: [REDACTED]

To: Newby & Scalby <clerk@newbyandscalby-tc.gov.uk>

For Attn: Mrs Jools Marley, Clerk to Newby and Scalby Town Council

28 October 2024

Dear Mrs Marley

Newby and Scalby Town Council

Model Agreement Estimates 2025/26

Prior to the formation of the new single council in North Yorkshire on 1 April 2023, it was approved that the payments made to Parish and Town Councils under the Model would be made under the 2022/23 arrangements between the Borough Council and the Parish Councils for the financial year 2023/2024. This arrangement was extended for a further year covering 2024/25 with a planned review of the model agreement undertaken in 2024/25. This work identified that the different service aspects within the Model Agreement could be explored across the wider North Yorkshire Council area and support the Council's ambition to provide devolution opportunities for Parish Councils. This would also harmonise the approach for such proposals and provide consistency of operation for services. Further work will therefore be undertaken to develop wider service-based proposals, they will not, however, be in the form of the existing arrangements within the Model Agreement. It is intended that the payments made to Parish and Town Councils under the Model will be extended for a further year covering 2025/26 and the details about any future proposals will be developed for implementation in 2026/27. All Parish and Town Councils under the existing Model Agreement will be included.

This letter confirms that the payments made to Parish and Town Councils under the Model will be extended for a further year covering 2025/26 and gives notice that the existing Model Agreement will then terminate and there will be no further payments under these arrangements.
