Which areas are covered from Filey and Eastfield Police Stations?

The areas in blue and yellow – covered from Eastfield Police station. Areas in green – covered from Filey Police Station.

There were 61 incidents reported in your area during February. Incidents of note are as follows: -

01/02/2025 – 02/02/2025 – In response to a large number of complaints from the community, Officers from the rural team based at Eastfield Police Station, along with Police volunteers, specialist off-road Officers and other agencies carried out a two-day operation in the rural area to the west and north of Scarborough to speak to off-road riders. The purpose was to ensure the activity they were carrying out was lawful and, if not, deal with offences identified. During the weekend, 6 riders/drivers were reported for various offences, 1 biker was reported for no insurance and 1 for having no tax. These Operations will carry on throughout the year.

03/02/2025 02:34 – NYP received a radio message from Humberside Police that they were on A165 heading towards Reighton and behind a vehicle being driven in a very poor manner. NYP Traffic Officers get behind the Humberside unit on A165 in Scarborough where the vehicle fails to stop. The vehicle is pursued through Scarborough and onto the A171 north towards Whitby. Officers ahead of the pursuit, now towards Whitby, set up a stinger across the carriageway. This stung the vehicle tires successfully resulting in the vehicle pulling over and the driver being arrested for numerous offences. He was later charged with Dangerous Driving, drink driving, driving without a license or insurance and failing to stop for Police. The defendant has since pleaded guilty at Scarborough Magistrates Court and is due to be sentenced at the end of March.

18/02/2025 - 22/02/2025 – Seven, overnight commercial burglaries were reported in the Scarborough area over a 5 day period. 3 of these were reported in the Filey & Eastfield Police areas. A hastily put together Police operation early on Sunday 23rd February, coupled with some superb work by two PCSOs resulted in 5 people from Lancashire and Devon being arrested in two separate vehicles as they were leaving Scarborough. All 5 suspects were interviewed and bailed to not come back to North Yorkshire apart from to answer their bail later in the year. If you own or are aware of a commercial burglary or attempted burglary, **specifically during these dates**, the please contact us and quote 12250033261.

19/02/2025 18:23 – A van was reported to be causing an obstruction on High Street in Scalby. Officers attended but the van had moved on from the reported location. It was found by Officer nearby, the driver was spoken to and was requested to provide a sample of breath for analysis. He failed to do so, so was arrested on suspicion of this offence. He later provided evidential samples in custody that were over the limit so was charged with drink driving and failing to provide at the roadside.

Community Speed Watch

Police volunteers carried out static speed checks on Mill Lane in Burniston on 18/02/25 between 1030hrs and 1106hrs. They registered the speed of 200 vehicles and recorded 3 speeding offences.

Introducing OP TRAILBLAZE: A New Initiative to Tackle Off-Road Vehicle Disruption in Forestry Areas

Introduction to Operation Trailblaze

Operation Trailblaze is a dedicated initiative aimed at addressing the increasing issue of anti-social and illegal use of off-road 4x4 vehicles and motorbikes. These activities have caused significant disruption to local forestry and wildlife habitats, threatening the balance of delicate ecosystems and impacting the safety and enjoyment of these areas for local communities and visitors alike.

The operation brings together law enforcement, forestry management teams, environmental agencies, and community stakeholders to tackle the problem head-on. By combining enforcement, education, and prevention strategies, Operation Trailblaze seeks to restore order to affected areas, protect wildlife, and ensure that these natural spaces are preserved for future generations.

Through targeted patrols, public awareness campaigns, and collaboration with residents, the operation aims to reduce the damage caused by irresponsible off-road activities, emphasizing the importance of respectful and lawful use of shared natural resources.

What can you do to help?

We are asking for your help to tackle the ongoing issue of anti-social driving in our local forestry and wildlife areas. If you see any 4x4 vehicles or off-road motorbikes being used irresponsibly, please report it to us.

Your information is vital in helping us identify and address this behaviour, which is causing significant harm to the environment, wildlife, and the safety of others.

To report sightings, please provide as much detail as possible, including:

- The location of the incident
- The time and date
- A description of the vehicles or individuals involved

You can report anonymously if you prefer. Together, we can protect our natural spaces and ensure they remain safe and enjoyable for everyone.
